

CAPABILITIES STATEMENT

Capitol Advisors on Technology (CAT) has delivered exceptional consulting services and effective management and technology solutions since 2003.

WHO WE ARE

CAT provides talent with the knowledge, skills, and ingenuity needed to make accurate assessments, develop effective policies and implement management solutions vital to our client's success. CAT's senior leaders and managers are experienced subject matter experts with proven success leading work in many areas and getting desired results.

CORE SERVICES

ACQUISITION

CAT conducts Procurement Management Reviews to enhance the performance of the contracting function, ensure compliance with statutes, regulations, and policies, and evaluate the effectiveness of internal controls, policies, and procedures.

IT COMPLIANCE & INNOVATION

The CAT team helps clients identify, manage and comply with the full range of IT requirements. Also, CAT's team supports innovation by helping agencies and entrepreneurs transfer and commercialize start up technologies.

RECORDS & INFORMATION MANAGEMENT (RIM)

CAT has unparalleled expertise and experience in developing strategic information governance frameworks and systematically managing records and information through their lifecycles.

ADMINISTRATIVE, FINANCIAL & CONSULTING SERVICES

CAT provides professional administrative support, performs financial management services, completes scientific research activities in specialized areas, and advises clients on a broad range of management issues.

CLIENT TESTIMONIALS
